Copeland & Johns builds new retail center in Byram

JACKSON, MS—Copeland & Johns, Inc., is building a new retail facility in Byram, MS. Located on Siwell Road, the structure will be home to a new store for Cellular South and to a Domino's Pizza franchise.

The center is being constructed for Byram Retail of Mississippi, and Copeland & Johns estimates completion by October 1, 2010. The single story, 6,000 square-foot brick building was designed by Jackson-based Joseph Orr Architecture.

“New construction is a positive economic sign, and the fact that this building already has two spaces leased to major retailers is very encouraging,” points out Copeland & Johns’ Reed Nelson. “It also reflects the growth of Byram – more people have discovered it to be a city where they want to live.”

The facility will offer a total of three locations for retail tenants providing service to the southern Hinds County area.

Founded in 1978, Copeland & Johns, Inc., is a general contracting firm specializing in corporate office, retail, higher education and industrial complexes in the southeastern United States. The company is headquartered in Jackson, MS, and is licensed in Alabama, Georgia, Mississippi, Louisiana, Tennessee and Texas.
