## **Copeland & Johns constructs new Community Bank in Tupelo**

JACKSON, MS—Copeland & Johns, Inc., is building a new facility for Community Bank in Tupelo, MS. The structure is going up near the intersection of North Gloster Street and Lakeshire Drive.

Working with holding company Community Bancshares of Mississippi, Copeland & Johns estimates completion of the project by July 1, 2010. The three-story, 12,000 square-foot brick building was designed by Jackson-based Dean and Dean/Associates Architects.

“Community Bank’s purpose is to provide the best possible service to its clients – so secure, efficient facilities have always been a priority,” notes Copeland & Johns’ Reed Nelson. “Copeland & Johns is working with them to ensure their customers’ needs are met in a forward-looking way in the new building.”

The new construction will offer three drive-through windows, drive-through ATM service, four indoor teller windows, expanded loan offices, and the latest in structural security features.

Founded in 1978, Copeland & Johns, Inc., is a general contracting firm specializing in corporate office, retail, higher education and industrial complexes in the southeastern United States. The company is headquartered in Jackson, MS, and is licensed in Alabama, Georgia, Mississippi, Louisiana, Tennessee and Texas.
