

Please join me in the fight against breast cancer.

Round 1:

Over 208,000 people will be diagnosed with breast cancer in 2010.

Round 2:

More than 13,000 will die from breast cancer.

Round 3:

There is a 98% survival rate if caught early.

Round 4:

Fewer than 1 in 5 eligible women will get a lifesaving breast cancer screening.

You can help win this fight!
